Regulating Chemical Risks

European and Global Challenges

 Springer

Contents

1 Introduction.....	1
Michael Gilek, Johan Eriksson, and Christina Rudén	
Part I Chemical Risk Assessment and Risk Communication	
2 Risk Governance: Contemporary and Future Challenges.....	9
Andreas Klinke and Ortwin Renn	
3 Communicating Chemical Risks: Beyond the Risk Society	29
Alison Anderson	
4 Framing Chemical Risks in Sweden and Poland: Journalists' Narratives and Media Texts	45
Annika Egan Sjölander, Katarzyna Wolanik Boström, and Kenneth Ögren	
5 REACH: What Has Been Achieved and What Needs To Be Done?	71
Sven Ove Hansson and Christina Rudén	
6 Improving the Value of Standard Toxicity Test Data in REACH.....	85
Magnus Breitholtz, Elin Lundström, Ulrika Dahl, and Valery Forbes	
7 Testing in Aquatic Ecotoxicology: What Are the Scientific Conditions for the '3R' Concept?	99
Peter Pärt, Argelia Castaño, and Bengt-Erik Bengtsson	
8 Chemical Risk Assessment in Toxicological Perspective	121
Helmut Greim	

9 Occupational Exposure Limits in Comparative Perspective: Unity and Diversity Within the European Union.....	133
Linda Schenk	
10 Scientific Uncertainty and Science-Policy Interactions in the Risk Assessment of Hazardous Chemicals.....	151
Christina Rudén and Michael Gilek	
11 Assessing Chemical Risks: Evaluating Products Rather than Substances, and the Case of Anti-fouling Paints	163
Britta Eklund and Jenny Karlsson	
Part II Chemical Regulation: Politics, Policy and Management	
12 Global Trends in Chemicals Management.....	179
Gunnar Bengtsson	
13 Regulating Chemical Risk: REACH in a Global Governance Perspective.....	217
Veerle Heyvaert	
14 The Precautionary Principle in EU and US Chemicals Policy: A Comparison of Industrial Chemicals Legislation	239
Mikael Karlsson	
15 Chemical Regulations in Central and Eastern Europe: The Pull of Transnational Markets and Associations	267
Liliana B. Andonova	
16 Capacity Building for Chemicals Control: Legislation, Institutions, Public–Private Relationships.....	283
Bengt Bucht	
17 Scientific Committees and EU Policy: The Case of SCHER.....	301
Johan Eriksson, Mikael Karlsson, and Marta Reuter	
18 Implementing Chemical Regulation: The Role of Inspectors.....	319
Vicki Johansson	
Part III Conclusion	
19 Regulatory Futures in Retrospect	339
Willem Halffman and Roland Bal	
Index.....	349
