| List of Figures and Tables | xiii |
| Preface | xvii |
| Part I Language and the Language Faculty | 1 |
| 1 From Language to Linguistics | 3 |
| 1.1 Introduction | 3 |
| 1.2 Languages | 5 |
| 1.3 Other Languages | 9 |
| 1.4 Differences | 15 |
| 1.5 Linguistics | 17 |
| 1.6 Different Kinds of Grammar | 19 |
| 1.7 The Contents of this Book and the Subfields of Linguistics | 22 |
| Summary | 24 |
| Assignments | 26 |
| Test Yourself | 27 |
| Acknowledgments and Further Reading | 27 |
| 2 The Language User | 29 |
| 2.1 Introduction | 29 |
| 2.2 Knowledge and Ability: The Cognitive System | 30 |
| 2.3 Language and the Brain | 34 |
| 2.4 Language Comprehension | 37 |
| 2.4.1 <i>Speech Recognition</i> | 38 |
| 2.4.2 <i>Word Recognition</i> | 39 |
| 2.4.3 <i>Understanding Sentences</i> | 41 |
| 2.4.4 <i>Interpretation of Utterances</i> | 43 |
| 2.4.5 <i>From Speech Recognition to Interpretation</i> | 43 |
| 2.5 Language Production | 44 |
| 2.5.1 <i>What Do You Want to Say?</i> | 45 |
| 2.5.2 <i>Formulation: Grammatical Encoding</i> | 46 |
| 2.5.3 <i>Formulation: Phonological Encoding</i> | 48 |
| 2.5.4 <i>Articulation</i> | 50 |
| 2.5.5 <i>Speaking: From Intention to Articulation</i> | 51 |
| Summary | 52 |
| Assignments | 53 |
| Test Yourself | 54 |
| Acknowledgments and Further Reading | 55 |

| | | |
|-----|---|------------|
| 3 | Language Acquisition | 57 |
| 3.1 | Introduction | 57 |
| 3.2 | How Do Children Acquire Language? | 59 |
| 3.3 | The Order of First Language Acquisition | 62 |
| 3.4 | Factors that Influence the Acquisition of a Second Language | 66 |
| 3.5 | The Order of Second Language Acquisition | 69 |
| 3.6 | Bilingual Development | 74 |
| | Summary | 77 |
| | Assignments | 78 |
| | Test Yourself | 79 |
| | Acknowledgments and Further Reading | 80 |
| | Part II Language and Interaction | 81 |
| 4 | Discourse | 83 |
| 4.1 | Introduction | 83 |
| 4.2 | Interpretation and Inference | 84 |
| 4.3 | Cooperation | 86 |
| 4.4 | Conversations | 89 |
| 4.5 | Coherence Through Linguistic Form | 95 |
| | Summary | 98 |
| | Assignments | 99 |
| | Test Yourself | 100 |
| | Acknowledgments and Further Reading | 101 |
| 5 | Speech Acts | 103 |
| 5.1 | Introduction | 103 |
| 5.2 | An Utterance is an Act | 104 |
| 5.3 | Information Structure | 110 |
| 5.4 | Pragmatic Appropriateness | 114 |
| | Summary | 117 |
| | Assignments | 118 |
| | Test Yourself | 119 |
| | Acknowledgments and Further Reading | 119 |
| | Part III Sentences and Their Meaning | 121 |
| 6 | Constituents and Word Classes | 123 |
| 6.1 | Introduction | 123 |
| 6.2 | Constituents | 124 |
| 6.3 | Sentences, Clauses and Phrases | 126 |
| 6.4 | Phrase Types | 127 |
| 6.5 | Heads and Modifiers | 130 |

| | | |
|-----|---|-----|
| 6.6 | Constituent Structure | 131 |
| 6.7 | Phrases Versus Words | 135 |
| 6.8 | Word Classes: Content Words | 136 |
| 6.9 | Word Classes: Function Words | 138 |
| | Summary | 140 |
| | Assignments | 140 |
| | Test Yourself | 142 |
| | Acknowledgments and Further Reading | 142 |
| 7 | Simple Sentences | 143 |
| 7.1 | Introduction | 143 |
| 7.2 | Functions of Phrases Within the Sentence | 144 |
| 7.3 | Valency | 147 |
| 7.4 | Semantic Roles | 150 |
| 7.5 | Grammatical Roles | 151 |
| 7.6 | The Marking of Semantic and Grammatical Roles | 153 |
| 7.7 | Reduction of Valency | 154 |
| 7.8 | Reflexive Constructions | 155 |
| 7.9 | Pronominalisation | 157 |
| | Summary | 158 |
| | Assignments | 158 |
| | Test Yourself | 160 |
| | Acknowledgments and Further Reading | 160 |
| 8 | Complex Sentences | 161 |
| 8.1 | Introduction | 161 |
| 8.2 | The Functions of Embedded Clauses | 162 |
| 8.3 | The Forms of Embedded Clauses | 165 |
| 8.4 | Interaction between Main Clause and Embedded Clause | 168 |
| | 8.4.1 <i>Equi-Deletion</i> | 168 |
| | 8.4.2 <i>Raising</i> | 169 |
| | 8.4.3 <i>Sequence of Tenses</i> | 170 |
| 8.5 | Coordinated Clauses | 172 |
| 8.6 | The Form of Coordinated Clauses | 173 |
| | Summary | 174 |
| | Assignments | 175 |
| | Test Yourself | 176 |
| | Acknowledgments and Further Reading | 176 |
| 9 | Constituent Order | 177 |
| 9.1 | Introduction | 177 |
| 9.2 | Constituent Order and Levels of Analysis | 178 |
| 9.3 | Constituent Order at the Sentence Level | 179 |

| | | |
|-------|--|-----|
| 9.4 | Clause Type | 181 |
| 9.5 | Embedded Clauses | 182 |
| 9.6 | Complexity | 183 |
| 9.7 | The Information Status of Constituents | 184 |
| 9.8 | Constituent Order within Constituents | 185 |
| | 9.8.1 <i>The Noun Phrase</i> | 186 |
| | 9.8.2 <i>The Verb Phrase</i> | 187 |
| 9.9 | Correlations | 188 |
| 9.10 | Discontinuous Constituents | 190 |
| | Summary | 191 |
| | Assignments | 191 |
| | Test Yourself | 192 |
| | Acknowledgments and Further Reading | 193 |
| 10 | Sentence Meaning | 195 |
| 10.1 | Introduction | 195 |
| 10.2 | Compositionality | 196 |
| 10.3 | Noun Phrases: Reference | 197 |
| 10.4 | Noun Phrases: Deixis and Anaphora | 203 |
| 10.5 | Verb Phrases: Tense and Aspect | 206 |
| 10.6 | Verb Phrases: Situation Types | 210 |
| | Summary | 214 |
| | Assignments | 214 |
| | Test Yourself | 215 |
| | Acknowledgments and Further Reading | 216 |
| | Part IV Words and Their Meaning | 217 |
| 11 | Lexicon | 219 |
| 11.1 | Introduction | 219 |
| 11.2 | What is a Word? | 220 |
| 11.3 | The Relation Between Word Form and Meaning | 221 |
| 11.4 | Content Words and Function Words | 223 |
| 11.5 | The Lexicon | 226 |
| 11.6 | Kinds of Lexical Information | 228 |
| 11.7 | Dictionaries | 230 |
| 11.8 | Meaning and Meaning Relations | 232 |
| 11.9 | Semantic Description | 235 |
| 11.10 | Words Across Languages | 236 |
| | Summary | 237 |
| | Assignments | 239 |
| | Test Yourself | 240 |
| | Acknowledgments and Further Reading | 240 |

| | | |
|--------|---|-----|
| 12 | Word Formation | 241 |
| 12.1 | Introduction | 241 |
| 12.2 | The Internal Composition of Words | 242 |
| 12.3 | The Functions of Word Formation | 243 |
| 12.4 | Derivation | 245 |
| 12.5 | Inflection | 249 |
| 12.6 | Morphological Forms | 251 |
| 12.7 | The Structure of Words and Their Meanings | 255 |
| 12.8 | Differences between Derivation and Inflection | 256 |
| 12.9 | Morphological Differences between Languages | 258 |
| | Summary | 260 |
| | Assignments | 261 |
| | Test Yourself | 263 |
| | Acknowledgments and Further Reading | 263 |
| 13 | Compounds and Idiomatic Expressions | 265 |
| 13.1 | Introduction | 265 |
| 13.2 | Structure and Meaning of Compounds | 266 |
| 13.3 | Types of Compounds | 270 |
| 13.4 | Incorporation | 271 |
| 13.5 | Idiomatic Expressions | 272 |
| 13.6 | The Meaning of Idiomatic Expressions | 274 |
| | Summary | 279 |
| | Assignments | 280 |
| | Test Yourself | 281 |
| | Acknowledgments and Further Reading | 281 |
| Part V | Speech Sounds | 283 |
| 14 | Speaking and Listening – Speech Sounds | 285 |
| 14.1 | Introduction | 285 |
| 14.2 | Speaking | 287 |
| 14.3 | The Speech Signal | 288 |
| 14.4 | Hearing and Understanding | 291 |
| 14.5 | Speech Sounds | 292 |
| | 14.5.1 Introduction | 292 |
| | 14.5.2 Pulmonic Consonants | 293 |
| | 14.5.3 Non-pulmonic Consonants | 296 |
| | 14.5.4 Vowels | 296 |
| | 14.5.5 Diphthongs | 297 |
| | 14.5.6 Further Features | 298 |
| 14.6 | Speech Synthesis and Speech Recognition | 298 |
| | Summary | 299 |

| | |
|--|------------|
| Assignments | 301 |
| Test Yourself | 301 |
| Acknowledgments and Further Reading | 302 |
| 15 Sound Systems and Phonological Processes | 303 |
| 15.1 Introduction | 303 |
| 15.2 Distinctiveness | 304 |
| 15.3 Sound Systems | 307 |
| 15.4 Distinctive Features | 311 |
| 15.5 Morphophonological Processes | 314 |
| 15.6 Graphemes and Phonemes | 316 |
| Summary | 317 |
| Assignments | 317 |
| Test Yourself | 318 |
| Acknowledgments and Further Reading | 319 |
| 16 Syllables, Stress and Intonation | 321 |
| 16.1 Introduction | 321 |
| 16.2 The Syllable: Phonotactics | 322 |
| 16.3 The Word: Stress | 326 |
| 16.4 The Sentence: Intonation | 328 |
| 16.5 Rhythm | 330 |
| Summary | 331 |
| Assignments | 332 |
| Test Yourself | 333 |
| Acknowledgments and Further Reading | 333 |
| Part VI Languages and Communities | 335 |
| 17 Differences and Similarities between Languages | 337 |
| 17.1 Introduction | 337 |
| 17.2 Similarities between Languages | 339 |
| 17.3 Genetic Relations | 342 |
| 17.4 Language and Culture | 349 |
| 17.5 Language and Thought: The Sapir-Whorf Hypothesis | 354 |
| Summary | 357 |
| Assignments | 358 |
| Test Yourself | 359 |
| Acknowledgments and Further Reading | 359 |
| 18 Language Variation | 361 |
| 18.1 Introduction | 361 |
| 18.2 What is a Language? | 362 |

| | | |
|------|---|-----|
| 18.3 | What is a Dialect? | 364 |
| 18.4 | The Study of Language Variation | 366 |
| 18.5 | Language Variation and Social Factors | 369 |
| | 18.5.1 <i>Region</i> | 370 |
| | 18.5.2 <i>Social Class</i> | 372 |
| | 18.5.3 <i>Ethnic Group</i> | 374 |
| | 18.5.4 <i>Age</i> | 374 |
| | 18.5.5 <i>Gender</i> | 375 |
| 18.6 | Other Factors: Situation and Linguistic Context | 377 |
| 18.7 | Language Variation and Social Meaning | 379 |
| | Summary | 381 |
| | Assignments | 382 |
| | Test Yourself | 382 |
| | Acknowledgments and Further Reading | 383 |
| 19 | Language Change | 385 |
| 19.1 | Introduction | 385 |
| 19.2 | Historical Linguistics | 386 |
| 19.3 | The Process of Change | 390 |
| 19.4 | The Role of Social Groups in Language Change | 394 |
| 19.5 | Embedding Changes into the Language System | 397 |
| 19.6 | The Evaluation of Language Change | 399 |
| | Summary | 400 |
| | Assignments | 400 |
| | Test Yourself | 401 |
| | Acknowledgments and Further Reading | 401 |
| 20 | Bilingualism | 403 |
| 20.1 | Introduction | 403 |
| 20.2 | The Bilingual Community | 404 |
| 20.3 | Language Policy | 407 |
| 20.4 | Bilingual Education | 408 |
| 20.5 | The Bilingual Individual | 410 |
| 20.6 | Bilingualism and Interference | 412 |
| 20.7 | The Emergence of New Languages | 418 |
| | Summary | 421 |
| | Assignments | 422 |
| | Test Yourself | 422 |
| | Acknowledgments and Further Reading | 423 |
| | References | 425 |
| | Sources of Illustrations | 433 |
| | Index | 435 |

List of Figures and Tables

Figures

| | | |
|------|--|-----|
| 1.1 | The 'wiggle' dance of bees, according to Frisch (1923). | 10 |
| 2.1 | Three kinds of knowledge within the cognitive system involved in speaking and understanding. | 32 |
| 2.2 | A fragment of a possible network of connections within the mental lexicon based on meaning. | 33 |
| 2.3 | Language areas in the left hemisphere. | 35 |
| 2.4 | fMRI scan of left (top) and right (bottom) hemispheres of (a) English speakers presented with spoken English and (b) British Sign Language signers presented with BSL. Brain activity is indicated by the light areas. | 36 |
| 2.5 | The four sub-processes for language comprehension and their relation to the cognitive system. | 44 |
| 2.6 | Elicitation picture from the Minnesota Test for Differential Diagnosis of Aphasia. | 48 |
| 2.7 | The four sub-processes of speaking in the whole system of language use. | 51 |
| 2.8 | The incremental process of language production. | 52 |
| 3.1 | Mother and child. | 62 |
| 4.1 | Non-verbal behaviour in a telephone conversation. | 91 |
| 5.1 | Launch of the Pathfinder, 1941. | 106 |
| 5.2 | a. View of skyscrapers. b. Window in room. | 109 |
| 6.1 | Types of constituent (simplified version). | 127 |
| 6.2 | Types of constituent (expanded version). | 130 |
| 6.3 | Tree diagram of (44). | 133 |
| 6.4 | Tree diagram of (48). | 135 |
| 8.1 | Types of constituent (final version). | 164 |
| 8.2 | Michael with a boat gone aground. | 171 |
| 8.3 | The constituent structure of coordinated clauses. | 173 |
| 9.1 | Approximate distribution of Basic Constituent Orders. | 181 |
| 10.1 | Schematic representation of the different types of reference. | 201 |
| 10.2 | Different types of reference in English. | 201 |
| 10.3 | Different types of reference in Turkish. | 202 |
| 10.4 | Different types of reference in Samoan. | 203 |
| 10.5 | Use of deictic terms. | 204 |

| | | |
|-------|---|-----|
| 10.6 | The pronominal system of Tokelau. | 205 |
| 10.7 | Elicitation test picture. | 206 |
| 10.8 | Tense in (34). | 207 |
| 10.9 | Absolute and relative tense in (35). | 208 |
| 10.10 | Absolute and relative tense in (36). | 208 |
| 10.11 | Four situation types. | 213 |
| 11.1 | Violão | 232 |
| 12.1 | Morphological types of languages. | 260 |
| 13.1 | Mixing metaphors. | 278 |
| 14.1 | Speech organs. | 287 |
| 14.2 | Atmospheric pressure produced in the pronunciation of the sentence <i>the porter is studying linguistics for fun</i> by an educated female speaker of British English. | 289 |
| 14.3 | Frequency (in Hz) of the sentence <i>the porter is studying linguistics for fun</i> pronounced by an educated female speaker of British English. | 290 |
| 14.4 | Schematic representation of the human ear. | 291 |
| 14.5 | International phonetic alphabet (adapted from IPA 2005 revision). | 295 |
| 15.1 | The sound system of Standard British English. | 308 |
| 15.2 | The sound system of Rotokas. | 309 |
| 15.3 | The sound system of Danish. | 310 |
| 16.1 | Distribution of fixed stress positions in a sample of 281 languages. | 328 |
| 17.1 | Cover of Lucas Cauallero. | 344 |
| 17.2 | Relationships between some Indo-European languages. | 346 |
| 17.3 | Hawaiian kinship system. | 351 |
| 17.4 | Schematic view of division of the colour spectrum in a language. | 356 |
| 18.1 | The generalised occurrence of the use of -s in the present tense in the English of England. | 371 |
| 18.2 | The isogloss indicating the phonological variables Southern /ʌ/ vs the Northern /u/ (solid line). The circles indicate /ʌ/ and the crosses /u/. | 372 |
| 19.1 | The development of <i>do</i> as an auxiliary in different sentence types between 1400 and 1700. | 391 |
| 19.2 | The frequency of the use of <i>help</i> with and without <i>to</i> + infinitive between 1600 and 1990. | 393 |
| 19.3 | Phonological change in French words ending in /n/. The horizontal axis indicates time in centuries and the vertical axis the spread over the lexicon in terms of categories of words. | 398 |
| 20.1 | Model of the different types of bilingual community. | 405 |
| 20.2 | Model of a transitional bilingual programme. | 409 |

Tables

| | | |
|------|---|-----|
| 6.1 | Types of phrases | 129 |
| 8.1 | Various types of embedded clauses and their functions | 164 |
| 9.1 | Constituent order correlations | 189 |
| 11.1 | The short version of the Swadesh list | 238 |
| 16.1 | Fixed stress patterns with examples | 327 |
| 18.1 | Scores for the variable 'verbal morpheme <i>-ing</i> ' across five social groups in Norwich (Britain) | 373 |
| 18.2 | Scores for the variable 'verbal morpheme <i>-ing</i> ' of men and women in Norwich (Britain) | 376 |
| 19.1 | Pronunciation of the variable /r/ in words such as <i>car</i> and <i>horse</i> in 6 social classes in New York City in 1964 | 395 |
