Toxicological evaluation of certain veterinary drug residues in food

**Prepared by the
Seventy-fifth meeting of the Joint FAO/WHO
Expert Committee on Food Additives
(JECFA)**

The summaries and evaluations contained in this book are, in most cases, based on unpublished proprietary data submitted for the purpose of the JECFA assessment. A registration authority should not grant a registration on the basis of an evaluation unless it has first received authorization for such use from the owner who submitted the data for JECFA review or has received the data on which the summaries are based, either from the owner of the data or from a second party that has obtained permission from the owner of the data for this purpose.
