Fundamentals of Tropical Climate Dynamics

 Springer

Contents

1	Simple Dynamic Frameworks for Tropical Atmosphere and Ocean	1
1.1	Free Waves in an Equatorial Beta-Plane	1
1.2	Vertical Mode Separation in a Stratified Atmosphere	14
1.3	The Gill Model	16
1.4	The Lindzen–Nigam Model	20
1.5	The Cane–Zebiak Simple Coupled Atmosphere–Ocean Model	26
1.6	A 2.5-Layer Tropical Atmospheric Model	28
1.7	A 2.5-Layer Tropical Oceanic Model	34
	References	40
2	Roles of Air–Sea Interaction in Shaping Tropical Mean Climate	41
2.1	ITCZ Asymmetry	41
2.2	Theories	44
2.3	Effects of Asymmetric Land Mass and Coastal Geometry	49
2.4	Annual Cycle at the Equator	53
	References	59
3	Madden-Julian Oscillation: Observations and Mechanisms	61
3.1	Introduction	61
3.2	Observed Structure and Evolution Features	61
3.3	Mechanisms for Eastward Propagation	64
3.4	Initiation Mechanisms	72
3.5	Boreal Summer Intraseasonal Oscillation (BSISO)	87
3.6	Interactions with High-Frequency Eddies	95
	References	103
4	Tropical Cyclone Formation	107
4.1	Introduction	107
4.2	Precursor Synoptic Signals	108

4.3	Origin of Synoptic-Scale Wave Trains and Easterly Waves in WNP	115
4.4	Numerical Simulations of TC Genesis	119
4.5	MJO and ENSO Impacts	128
4.6	Projection of Future TC Changes Under Global Warming	134
4.7	Concluding Remark	142
	References	144
5	Dynamics of El Niño–Southern Oscillation	149
5.1	Observed Structure and Evolution	149
5.2	Instability Mechanisms	153
5.3	Oscillation Theories	155
5.4	Phase Locking to the Annual Cycle	157
5.5	El Niño and La Niña Amplitude Asymmetry	160
5.6	El Niño and La Niña Evolution Asymmetry	164
5.7	Modulation of Interdecadal Mean State on El Niño Behavior	171
5.8	Indian Ocean Dipole	177
	References	182
6	Monsoon Dynamics and Its Interactions with Ocean	185
6.1	Introduction	185
6.2	Theories on Tropospheric Biennial Oscillation (TBO)	189
6.3	Quasi-Biennial and Lower-Frequency Variability of the Monsoon	198
6.4	Pacific–East Asia Teleconnection	205
6.5	Effects of Indian Ocean and WNP SSTA on Circulation in WNP	209
6.6	Modulation of the Monsoon Mean Flow on El Niño Response	215
6.7	Inter-monsoon Relationships	217
6.8	Effect of Aerosol on Monsoon	222
	References	226
